THE UK'S LEADING PORTABLE ESCAPE ROOM EXPERIENCE

IN- PERSON GAME

## OPERATION GLOBAL STORM

Get ready to step into a thrilling 2-hour experience filled with mysteries, danger and intrigue. This is the immersive escape game experience that comes to you! In this near-future world, you'll join forces with The Ministry and work together to unravel a sinister conspiracy that threatens to plunge the entire globe into chaos.

As you race against the clock to solve a series of challenging tasks, you'll need to rely on your team's communication skills, lateral thinking, and investigative instincts to uncover the truth behind the murder of a respected investigative reporter Emilia Sarnowska and prevent a catastrophic chain of events from unfolding. But be warned - this is no ordinary escape game. You'll need to hold your nerve and stay focused under pressure, as you face down dark forces and grapple with the high-stakes consequences of your actions.

Our acclaimed game brings danger straight to your doorstep, with immersive challenges that will push your limits and test your mettle. From decoding secret messages to navigating treacherous terrain, you must rely on your wits and teammates to come out on top.

So are you ready to step up and make a difference? Join us for an unforgettable experience in Operation Global Storm and show the world what you're made of.

(A large table or two in that room is also needed)

At least one fully charged Smartphone  
(WIFI/ 4G+ Access is also required)

Between 4 - 280 Players  
(If you have a larger group let us know)

## REMOTE GAME

# TASKFORCE HURRICANE

Prepare yourself for an exhilarating remote adventure with Taskforce Hurricane that will leave you on the edge of your seat! Join the esteemed Emilia Sarnowska and her team on their final mission, as they call on you to use all your wits, skills, and determination to uncover a mole within The Ministry and stop the nefarious "Hurricane" from wreaking havoc on the secure database managed by Roundhouse Cyber Operations.

In this thrilling online universe, you'll be fully immersed in a world of espionage and danger, as you work alongside the elite Agent 12 to protect the valuable database and bring the elusive hacker to justice.

With every passing moment, the stakes grow higher and the challenges become more intense, as you race against the clock to solve puzzles, crack codes, and navigate treacherous virtual terrain. But beware - you're not alone in this mission. It's up to you and your virtual team to stay one step ahead, working together to outsmart your opponents and emerge victorious in the ultimate showdown.

So are you ready to put your skills to the test and save the world from disaster? Gather your virtual team and join us for an unforgettable experience in Taskforce Hurricane - the fate of the mission and the security of the world rest in your hands!

Type to enter text

### **TEAM-BUILDING**

Every team is assessed on these factors by a Mission Master, who will feedback on areas of strength and weakness between the team in a positive and constructively critical way.

### **EYE FOR DETAIL**

The objective is to expose the evidence by investigating all the evidence, which will involve active communication and focus on the what you discover.

### **CREATIVE THINKING**

Sometimes the answers are not clear, but every challenge has a process; you have to think both smartly and laterally to achieve results.

### **The benefits of an Escape Room**

for businesses is well-documented, in terms of strengthening a workforces' bond, creating a sense of fun and wonder, and reinforcing positive communication skills. It's been known to increase lateral thinking, team and individual focus and encourage people to work towards a collective target.

### **FORENSIC EXAMINATION**

Clues and evidence are hidden, so every player must be thorough, systematic and creative in your approaches.

### **COMMUNICATION**

You must actively and respectfully pass on discoveries, inspiration and thoughts to beat the clock - and the game.

### **SHEER FUN!**

You will be doing all the above and have fun while learning to be better team players and work colleagues.
